

Hi CAC Family!

I was reflecting on God's faithfulness to Canby Alliance Church in the last few months especially in saying goodbye to Pastor Tim and Heather and the incredible farewell celebration we had that really honored Pastor Tim and Heather for their 37 years of faithful service here at CAC. God has been faithful in walking with us through the grieving process which all of us had to process (we are still processing). Healthy grieving is very important before we move on.

He has been faithful in helping us find an excellent Interim Pastor who has the gifts, talents and skills to walk us through the process of PEAK together with the NW Alliance District Office.

He has been faithful to us in providing us with a PEAK team who is ready and willing to do a lot of work in the next 6-8 months!

We truly have so much to praise God and thank Him for!

We are looking forward to what God has in store for us in the process of searching for Pastor Next! Keep faithfully praying for this comprehensive process!

We would like to let you know what the transitional roles are with the different leadership groups we have at CAC.
